

# STAGE LAYOUT

Linda, Elrieke and Leopold all play acoustic guitars. They bring their own microphones and DI boxes/guitar amps. Three monitors is ideal but, if that's not possible, 2 monitors is OK. Linda takes centre stage in the first half, Elrieke in the second half. For lighting - please note that Elrieke is quite a bit taller than Linda. An additional microphone and boom stand might be required if a guest takes the stage. Leopold 1m 60, Linda 1m 67, Elrieke 1m 75  
 Most likely guest is Matt Barnhoorn who plays mandolin and fiddle. He also brings his own DI boxes (2) and sings... we will inform you if a guest is likely.
